# MEMORY GAME

Color the baby dinos, then have an adult help you cut them up and play a game of "Baby Dino Memory"! Lay your cards out in a 3x4 grid, and turn them all upside down. Then flip two cards over at a time to try and find a match!

# WORD SEARCH

Read the fun facts to learn more about baby dinosaurs, and then find words from those facts in the word search!

The baby Spinosaurus had very good instincts. They would scavenge food until they were big enough to **HUNT** for themselves!

The baby Triceratops could find their own **FOOD** as soon as they were born.
